

Sierra Elementary

Parent Teacher Club (PTC) Fundraising Report 2015-2016

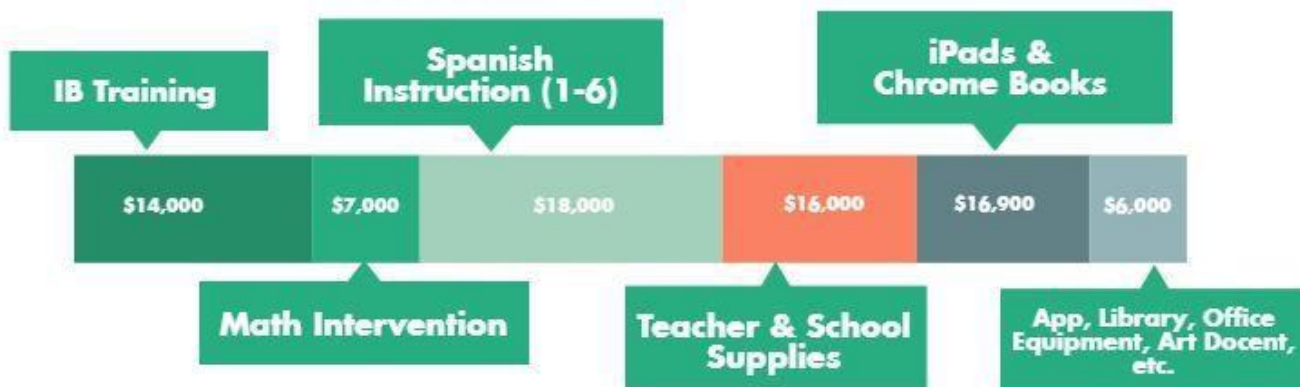

Your PTC

The Sierra Elementary Parent Teacher Club (PTC) works year-round to provide opportunities to support our school's academic, cultural and physical well-being. Our goal is to work hand-in-hand with Sierra Elementary staff and faculty who strive daily to provide an exceptional learning environment for our children.

The PTC is often asked about our fundraising efforts and how the money is used. Here is how your donations were spent during the 2015-2016 school year.

Where did your donations go?

7+

7+ teachers will attend IB training returning to school with new and exciting ways to teach your children.

140

The number of students who benefit from after school math tutoring during each six week session. Parents, teachers, and students are seeing the positive effects.

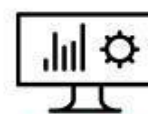

1st - 6th

Spanish instruction two times a week for all 1st through 6th graders. Early introduction to foreign language has proven to have life long benefits.

Every Teacher

Twice a year the PTC funds teacher accounts so that teachers can purchase supplies for your child's classroom.

Every Student

iPads & Chrome Books give all students access to technology in their classrooms to support online research and exciting activities, such as beginner coding.
