VII. Staff Message

Hannah Anderson announced that this week continues Parent/Teacher Conferences. During Fall conferences for teachers to connect with all parents. If you have not set up a time to meet with your child(ren)'s teacher please call the school, so that one can be set up. It is an IB requirement that at least one conference be student led. If this conference was not student led look for a student led conference in the Spring.

Due to Teachers working to contact during negotiations with the district the dance show will be held during the day. Schedules will be coming out shortly. It will give you information on when your child's dress rehearsal and show performance will be. Tickets will be sold even though the event is during the day to offset the cost of the program.

The health and safety is important to us. You should have received an email from Rodger Stock today. At this time Rocklin Unified Schools will remain open. Due to the increasingly poor air quality students will be having recess and lunch in doors. If your has compromised health please contact the school so that they office can help you with the absense.
