Roger Stock, Superintendent  
Todd Cutler, Deputy Superintendent

Barbara Patterson, Associate Superintendent  
Michael S. Garrison, Assistant Superintendent

Dear Parent/Guardian:

Whooping cough, also known as pertussis, continues to threaten students in California. To help stop its spread, all incoming 7<sup>th</sup> graders are required by law to have proof of a whooping cough booster (Tdap) shot, or file an exemption, in order to attend classes this year. Students will not be allowed to attend classes without a shot record.

We need a booster shot record from your child who will be entering the 7<sup>th</sup> grade next year. The booster shot needs to have been given on or after your child's 7<sup>th</sup> birthday. If your child hasn't had a booster shot yet, please schedule an appointment immediately with your regular doctor. Vaccine may also be available at:

Placer County Immunization Clinic	Mondays
1130 Conroy Lane, Suite 402	8:00 a.m.-11:30am
Roseville, California	Drop in only
530-889-7215	\$9

Placer County Immunization Clinic	Fridays
11584 B Avenue	8:00 a.m.-11:30am
Auburn, California	Drop in only
530-889-7172	\$9

If your child, who will be entering the 7<sup>th</sup> grade next Fall, and has already received the booster shot, please give us a copy of the shot record by March 14, 2014.

Feel free to call your local school office with any questions or concerns.

Thank you,  
Health Services Supervisor
